

McCue Corporation

GreenGuard 3

GreenGuard™ is McCue's protective bumper that provides improved performance, delivers simply beautiful aesthetics and is 100% recyclable. GreenGuard 3 offers a more rounded, contemporary design than our other bumper profiles. A series of ribs run down the middle of the profile giving it dimension, while acting as an abrasion hider. GreenGuard 3 gives a bold line of protection without having to sacrifice aesthetics.

STRONG: Rigid polycarbonate exceeds the impact performance of high impact PVC by 29% and ABS by 63%.

SPEEDY INSTALL: All parts snap together for easy installation and guaranteed alignment.

INNOVATIVE: Our patented PreForm technology allows us to bend rigid bumper into a wide variety of corner radii.

Truly Green

- 100% Recyclable. Laser etched recycling symbol and resin identification code. 
- 100% chlorine free (PVC free and Vinyl free).
- GreenGuard does not emit hazardous dioxins if incinerated during waste disposal.
- Ships with a recyclable clear film to protect the bumper during shipping and installation.
