

Pedestrian Barrier Gate Accessory

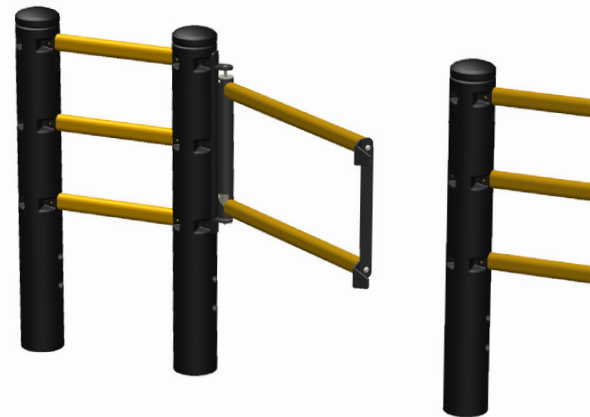

Asset protection starts with your people.

Our fully modular system keeps your people safe and your business protected. Incorporate a gate into our Pedestrian Barrier system in your warehouse to help employees cross at designated areas while helping them be more attentive in high-traffic areas.

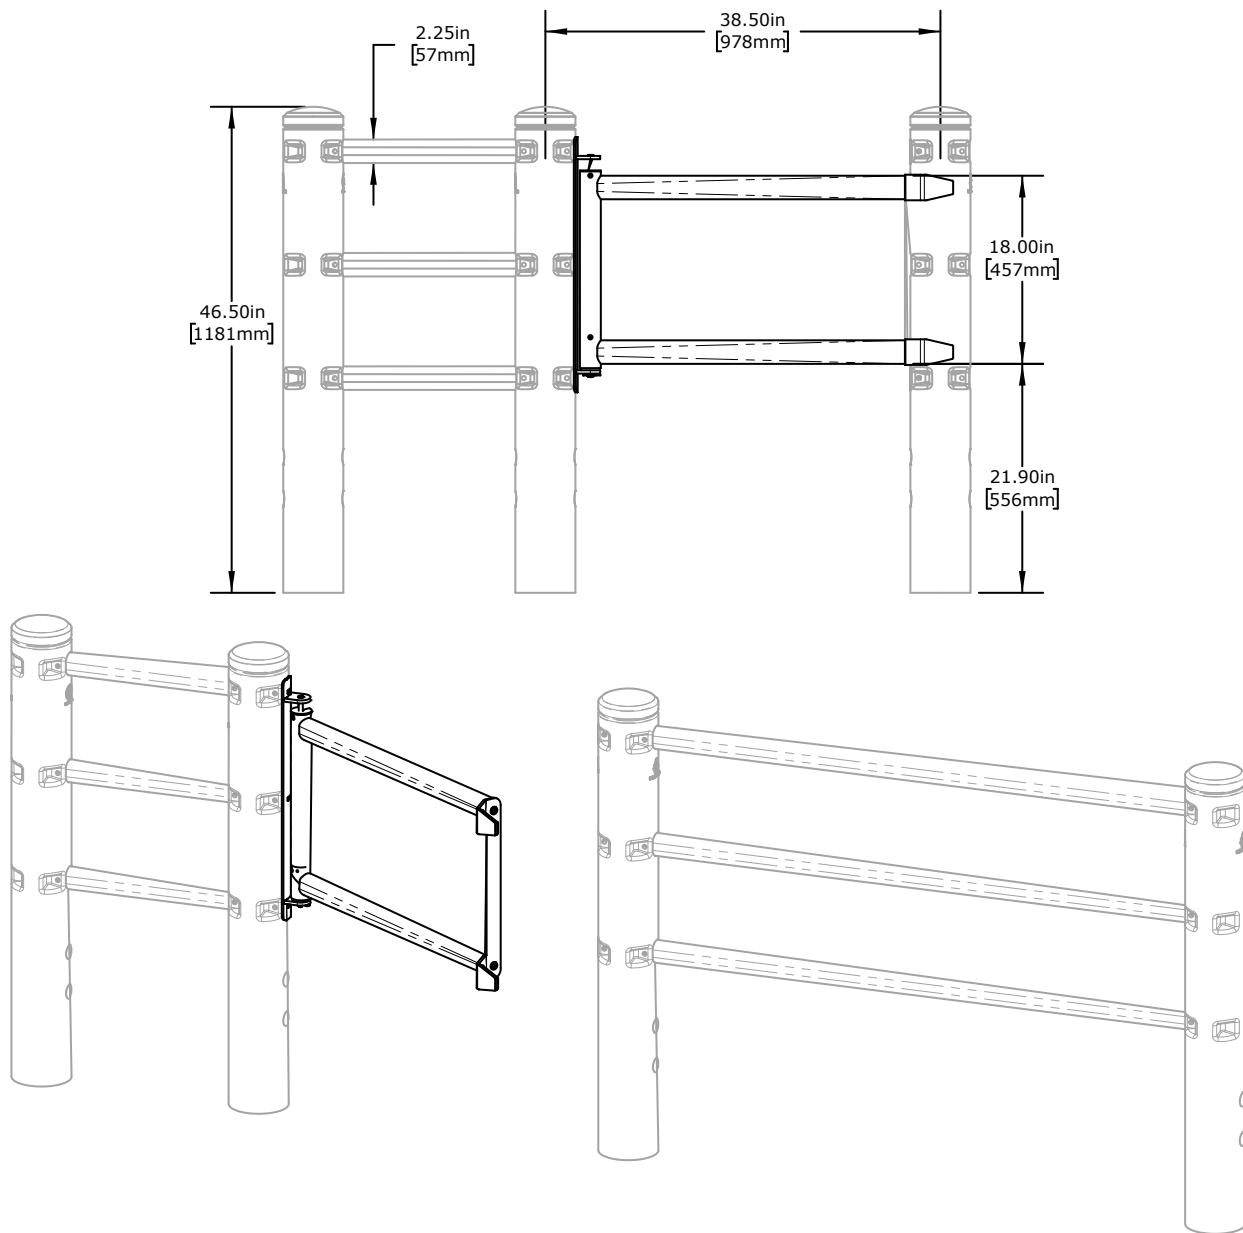

Complete Protection Auto-closing gate will always close behind you at a safe and slow speed

Smart Design No springs means your gate will last longer and continue working to the highest standard

Internal Design Eliminate major pinching points
